

# THROUGH THE EYES OF AMOS

## JOURNAL REFLECTIONS: FROM THE MANGER TO THE CROSS

- 1) Picture sitting on a hill at night looking at the stars. It's quiet. Suddenly the sky is flooded with light. Giant glowing beings make up a choir. How would you respond?

---

---

- 2) As a shepherd, your job is to protect and guard the sheep. Would you leave them rush to a cave after the angel's song invitation? Or would you hang back as a responsible guard?

---

---

- 3) Who, in current culture, do you think the shepherds represent?

---

---

- 4) If you had been at the birth of Jesus, then heard Him preach as an adult: would you remember the angel fanfare? Would it give you a reason to believe the adult Jesus?

---

---

- 5) How do you think you would react if you saw Jesus crucified and then saw Him alive a few days later? Perhaps you would remember that He said He would rise again?
